I WANT TO FIRST THANK AND GIVE GLORY TO GOD. IT'S BY HIS GRACE ALONE THAT I'M HERE.

Thanks to my beautiful mother Lisa Sawyer for making a sacrifice to support me in everything I do.

A special thanks to my managers Jonathan and Zeke for believing in me and giving me a chance!

Thanks to my best friend and photographer Rambo. You've been there for me since the beginning!!

Thanks to my Fort Worth homies Sam Anderson, Cliff Wright, Kenny Uptain, David Mastler, Matt Mabe, Jeff Dazey, Tyler Brown, and Luke McGlathery. Thanks for being true friends! I learned a lot from you guys! And much love to the Texas Gentlemen boys from Dallas! Thanks for taking me under y'all's wing when I first got started! I've become a better musician because of y'all!

Thanks to my tour manager Chris Vivion and my beautiful band! Thanks for making a sacrifice to get on board with me!

Thanks to my right hand man Austin Jenkins and Josh Block for all the production on the record. Thank you for all your patience and hard work towards making this record! Love you guys!

Big thanks to the sweetheart Sharon Van Etten for our first show together in New York! You have a beautiful and humble soul. Thanks for all the encouragement!

A special thanks to the Gorilla vs. Bear homies Chris Cantalini and David Bartholow for showing love to *Coming Home* and *Lisa Sawyer* on their blog. Much love!

Thanks to Chip Tompkins, Analisa Garcia, Tanner Teaff, Marshall Wells, and James Talambas for making my vision come to life in the *Coming Home* video! Love you guys!

Thanks to my business manager Patrick Templeman and my lawyer Jeff Worob. Thank y'all for working your tails off to make sure everything is lined up correctly. Our friendship is new but it feels as if we've been friends for years. Love you guys!

Thanks to Jeffrey Azoff, Bobby Cory, Andy Cook, Paul Wilson, and everyone at CAA.

Thanks to my man Octavian Johnson. I wouldn't be singing and writing if it wasn't for you. I played my first show with you brother! Love you man!

Thanks to Kyree Reynolds! We wrote our first song together and I wouldn't have picked up a guitar if it wasn't for you! Love you and I hope we cross paths again!

Lastly, I want to thank the Columbia team! Thanks for all your hard work and passion towards this project! Cheers to many more!

NILES CITY SOUND would like to thank Jonathan Eshak, Zeke Hutchins, Joseph Halbardier, Nathan Richman, Justin Eshak and Mark Williams.
